

WELCOME TO GIBSON COUNTY

Located in Northwest Tennessee, Gibson County encompasses ten communities that demonstrate the work ethic and pride of rural Tennessee. The heart and county seat of Gibson County is Trenton which features so much historical architecture that the town itself was added to The National Register of Historical Places in 1982.

WEST TENNESSEE REGIONAL ART CENTER (WTRAC)

Located in the restored City Hall building, WTRAC is the permanent home for several fine art collections. It offers guided tours to school children.

SHADY ACRES PARK AND DYER ARBORETUMS

Spanning 32 acres in the heart of Trenton, this park was granted Level IV arboretum status and is certified as a wildlife habitat. Enjoy the mix of open space, ball fields, and woods.

CIVIL WAR TRAIL

Stand on the same ground where Confederate General Nathan Bedford Forrest fortified his artillery and attacked Trenton. This fight altered the course of America's future during the war.

GIBSON COUNTY COURT HOUSE

Built in 1899, this is the 4th courthouse to occupy this location. Over the years, this location has heard from speakers such as James K. Polk and Andrew Jackson.

WHITE SQUIRREL WINERY IN KENTON

Enjoy distinct wines created by the Sanderson family with fruit grown on their own family farm. It is located in Kenton which has the largest concentration of white squirrels in the nation.

WEST TENNESSEE AG MUSEUM

Take a guided tour through the 16,000 plus square foot museum as you view over 2,600 implements on display. Each display depicts the challenges that West Tennessee settlers faced.

TEAPOT MUSEUM

This is the World's Largest Collection of Night Light teapots with over 520 pieces focusing on 19th century design. They were collected around the world and are valued at over \$3 million.

GIBSON CO. LAKE

Located on 560 acres, this man made lake includes a boat launching ramp, fishing pier, and boat rentals. Common fish include largemouth bass, bluegill, and catfish.

CROWN WINERY

Taste the difference that the unique combination of necessity, science, and renewable energy makes on wine as you tour the grounds or celebrate a special occasion in their beautiful facility.

DAVY CROCKETT CABIN

Showcasing books on the Crockett family and local history, this cabin was restored from Colonel Davy Crockett's last home where he lived from 1822 until the fall of 1835. It is also the location of his mother's grave.
